INTERNATIONAL SCIENTIFIC WEEK

“Sustainable Development and Green Economy”

May 20 – 25, 2024

Dear researchers, professors and colleagues!

The organizing committee invites you to take part in the work of the International Scientific Week **“Sustainable Development and Green Economy”**.

The goal of the International Scientific Week “Sustainable Development and Green Economy” is to ensure the implementation of a number of important tasks of the United Nations General Assembly Resolution No. 70 of the Sustainable Development Summit of September 2015, organizing systematic work for the consistent implementation of the goals and objectives of sustainable development in accordance with the Resolution of the Cabinet of Ministers of the Republic Uzbekistan No. 841 dated October 20, 2018 “On measures to implement national goals and objectives in the field of sustainable development until 2030”, widespread celebration in the Republic of the events “2024 years - years of support for youth and business” , in fulfillment of the objectives of the Decree of the President of the Republic of Uzbekistan No. PP-4805 dated 12/08/2020 “On measures to improve the quality of continuing education and science in the field of chemistry and biology”, as well as organizing international events aimed at increasing students’ interest in technical fields, popularizing basic sciences and developing international cooperation in scientific fields; research activities in the field of chemistry, biology and chemical technology.

Venue : Tashkent Institute of Chemical Technology.

Locations: Tashkent city, Mirzo Ulugbek street, 41 and Tashkent Region.

INTERNATIONAL SCIENTIFIC WEEK "SUSTAINABLE DEVELOPMENT AND GREEN ECONOMY"

MAY 20-25, 2024

May 21-22, 2024

III-International Scientific and Technical Conference "Innovative technologies for the production of glass, ceramics and binders" and Round table "Sustainable Development and green economy".

May 22

Visit to the Gelio-Complex and Solar Furnace at the Materials Science Institute of the Academy of Sciences of Uzbekistan. The goal is a broad international exchange of fundamental and practical scientific achievements, new approaches in areas of green energy, chemistry and technology.

May 23

International scientific and technical conference "Prospects for the development of innovative technologies for the production of inorganic substances and materials in the context of globalization" on the occasion of the 111th anniversary of the birth of Doctor of Technical Sciences, Academician Malik Nabievich Nabiev

May 27-June 1

Hackathon for students, young scientists and employees of enterprises of Uzkimyosanoat JSC within the framework of the International Forum of Young Scientists

Note: International Week events are planned in the city of Tashkent and the Tashkent region.

INVITED GUESTS

Makhkamova Zulayho Bakhridinovna	Deputy Prime Minister of the Republic of Uzbekistan
Sharipov Kongratbay Avezimbetovich	Minister of Higher Education, Science and Innovation of the Republic of Uzbekistan
Korjikov Evgeniy Alexandrovich	First Deputy Chairman of the Board of Uzkimyosanoat JSC
Negmatov Soibjon Sodikovich	Scientific director of the State Unitary Enterprise "Fan va tarakkiyot", academician of the Academy of Sciences of the Republic of Uzbekistan
Parpiev Odilkhoja Raimkhodjaevich	Director of the Institute of Materials Science of the Academy of Sciences of the Republic of Uzbekistan
Shermatov Javohir Zafarovich	Scientific Secretary of the Institute of Materials Science of the Academy of Sciences of the RUz
Turabjanov Sadritdin Mahamaddinovich	Rector of Tashkent State Technical University, Academician
Bobokulov Bakhtiyor Bahronbekovich	Deputy Chairman of the Association "Uzsanoatqurilishmateriallari"
Khusainov Odil Olimovich	General Director of JSC "Kvarts"
Tursunboev Sohob Sobirovich	Director of JSC Quartz for Production
Sotvoldiev Marat Shavkatovich	General Director of JSC "Asl Oyna"
Dosmukhamedov Timur Vyacheslavovich	Chief technologist of JSC "Asl Oyna"
Uzakov Zohir Bozorovich	Chief technologist of Syrdarya Glass JSC
Abdusattarov Azim Abdusalamovich	General Director of the Industrial cluster "Basalt Uzbekistan"
Korlikhanov Ivan Vladimirovich	Director of Jizzakh Cement Plant LLC
Akbarjonov Aziz Akbarjonovich	Chairman of the Board of Uzsanoatqurilishbank ATB
Nomozov Oybek Ismailovich	Director of Merit Chemicals
Melnikov Sergey Nikolaevich	Director of the JSC "Qizilqumsement"
Azizov Iskandarbek Abdusolim ugli	Director of EKOKERAMA LLC
Khursanov Abdulla Khalmuradovich	General Director of Almalyk Mining and Metallurgical Combine JSC
Khasanov Abdurashit Solievich	Deputy Director of Almalyk Mining and Metallurgical Plant
Gulomov Qodir Gofurovich	Academician of the Academy of Sciences of the Republic of Uzbekistan, Chairman of the Council of Physicists of the RUz, Doctor of Physical and Mathematical Sciences, Professor, Chief Researcher of the Physico-Technical Institute of the Academy of Sciences of the RUz
Namazov Shafolat Sattarovich	Academician of the Academy of Sciences of the RUz, Honored Inventor and Innovator of the Republic of Uzbekistan, Head of the Laboratory

	“Phosphorus Fertilizers” of the Institute of General Economy and Chemistry of the Academy of Sciences of the RUz, Doctor of Technical Sciences, Professor
Beglov Boris Mikhaylovich	Academician of the Academy of Sciences of the Republic of Uzbekistan, Chief Researcher of the Phosphorus Fertilizers Laboratory of the Institute of Inorganic Economy and Economy of the Academy of Sciences of the RUz, Doctor of Technical Sciences, Professor
Mirsaidov Ulmas Mirsaidovich	Academician of the Academy of Sciences of the Republic of Tajikistan, Director of the Agency for I'm turf And radiation of Safety of the Academy of Sciences of the Republic of Tajikistan, Doctor of Chemical Sciences, Professor
Reimov Akhmed Mambetkarimovich	Rector of Karakalpak State University named after Berdakh, Doctor of Technical Sciences, Professor, Academician
Ibragimov Aziz Bakhtiyorovich	Director of the Institute of Inorganic Chemistry of the Academy of Sciences of the RUz, Doctor of Chemical Sciences, Professor
Zakirov Bakhtiyor Sabirjanovich	Chief Researcher of the Department of Nitrogen, Complex Fertilizers and Stimulants. Group of supramolecular compounds» Institute of Inorganic Chemistry, Academy of Sciences of the Republic of Uzbekistan, Doctor of Chemical Sciences, Professor, Honored Scientist of the Republic of Uzbekistan
Umarov Iskandar Khaidarovich	Chairman of the Board of Ammofos - Maxam JSC .
Mannopov Dilshod Erkinovich	Chairman of the Board of JSC Farg'onaazot.
Zhumaniyazov Maksud Zhabbievich	Professor of the Department of Chemical Technology, Urgench State University, Doctor of Technical Sciences.
Nurmurodov To'liqin Isomiddinovich	Vice-Rector of Navoi Mining, Metallurgical and Technological University, Doctor of Technical Sciences, Professor
Makhmudov Rafik Amonovich	Head of the Department of “ Technology of Inorganic Substances ” of the Bukhara Engineering and Technology Institute, Doctor of Technical Sciences, Professor
Abidov Nodir Olimzhonovich	Director of Orient Ceramic LLC (Uzbekistan)
Ablakulov Uktam Ulmasovich	Deputy General Director of ARTEL ELECTRONICS LLC
Sadullaeva Nilufar Yuldashbaevna	Head of the HR center of ALMERRO GROUP LLC, a confectionery factory under the KREMBER brand

FOREIGN GUESTS

Zbigniew Pędzich (Poland)	AGH university of science and technology, Head of the Department of Ceramics and Refractory Materials, Faculty of Materials Science and Ceramics, AGH University, Professor
Kim Dong - Hyung (Republic of Korea)	Giant Chemical Co.,Ltd.
Kang Jin - Kyu (Republic of Korea)	Giant Chemical Co. Ltd.
Kim De - Wook (Republic of Korea)	Giant Chemical Co. Ltd.
Lee Seung - Min (Republic of Korea)	KITECH
Kang Kyung - Chan (Republic of Korea)	KITECH
Kim Ill - Hwan (Republic of Korea)	Ulsan Technopark
Han Hyoung - Su (Republic of Korea)	Ulsan Technopark
Alexander Puchkov	E-Globaledge Corporation (Rigaku)
Alexander Shaforostov	MN MN Labtech
Dawid KOZIEN (Poland)	AGH University of Science and technology
Katarzyna PASIUT (Poland)	AGH University of Science and technology
Anisimov Valeriy Valerievich (Russian Federation)	Branch of Mendeleev Chemical Technological University in Tashkent
Makarov Nikolay Alexandrovich (Russian Federation)	Branch of Mendeleev Chemical Technological University in Tashkent
Levitsky Ivan Adamovich (Republic Belarus)	Belarusian State Technical University
Trusova Ekaterina Evgenievna (Republic Belarus)	Belarusian State Technical University
Tonni Agustiono Kurniawan (China)	Xiamen University, China
Subramaniam Geetha (Malaysia)	INTI international University
Sokit Samatov (Azerbaijan)	Azerbaijan State Oil and Industry University
Brendan Duprey (Kazakhstan)	UN PRME Chapter Eurasia
Engin Arslançan (Uzbekistan)	Merit Kimya
Amira Zaouak (Tunisia)	National Center for Nuclear Sciences and Technologies (CNSTN) Tunisia
Koshkarbaeva Shaizada Tortaevna (Kazakhstan)	M. Auezov South Kazakhstan University
Niyazbekova Rimma Kalmanbaevna (Kazakhstan)	"Kazstandart" Republican state enterprise

Azimgereeva Altynay Bulatovna (Kazakhstan)	Khazakh Agrotechnical Research University named after. S. Seifullin
Zaure Altayeva (Kazakhstan)	International Educational Corporation (IEC)
Shalukho N. M. (Republic of Belarus)	Belarusian State Technical University
Lukash E. V. (Republic of Belarus)	Belarusian State Technical University
Khotyan A. E. (Republic of Belarus)	Belarusian State Technical University
Usmanov Sultan Usmanovich (Kazakhstan)	Head of the laboratory "Inorganic synthesis and materials" JSC Institute of Chemical Sciences named after. Bekturova", Doctor of Technical Sciences, Professor
Ruziev Jura Rakhimnazarovich (Tajikistan)	Professor of the Department of "Practical Chemistry" of the Faculty of Chemistry of the Tajik National University, Doctor of Technical Sciences.
Naraev Vyacheslav Nikolaevich (Russian Federation)	Head of the Department of "Technology of Inorganic Substances" of the St. Petersburg State Technological Institute (Technical University), Honorary Worker of Higher Professional Education of the Russian Federation, Doctor of Chemical Sciences, Professor
Gavrilyuk Andrey Nikolaevich (Republic of Belarus)	Vice-Rector for Academic Affairs of the Belarusian State Technological University, Head of the Department of "Technology of Inorganic Substances and General Chemical Technology", Ph.D., Associate Professor

ORGANIZERS OF THE SCIENTIFIC WEEK "SUSTAINABLE DEVELOPMENT AND GREEN ECONOMY"

I. MINISTRIES, DEPARTMENTS, INTERNATIONAL PARTNERS AND ORGANIZATIONS

1. Ministry of Higher Education, Science and Innovation of the Republic of Uzbekistan
2. Tashkent Institute of Chemical Technology.
3. INTI International University
4. UN PRME Eurasia Branch
5. Institute of General and Inorganic Chemistry of the Academy of Sciences of the Republic of Uzbekistan
6. New University Uzbekistan

II. COMPANIES AND ENTERPRISES

1. JSC "Uzkimyosanoat";
2. LLC "ARTEL ELECTRONICS"
3. JSC "Uzsanoatqurilishmateriallari";
4. JSC "Kvarts";
5. JSC "Asl Oyna";
6. JSC Maxam Chirchik
7. JSC Ammofos-Maxam
8. JSC Navoiyazot
9. JSC Ferghanaazot
10. JSC Dekhkanabad Potash Plant
11. AKKERMANN CEMENT LLC.
12. Holding "Art Gloss Gallery";
13. LLC "ALMERRO GROUP" confectionery factory under the KREMBER brand

III. INTERNATIONAL PROGRAM COMMITTEE FOR SCIENTIFIC WEEK "SUSTAINABLE DEVELOPMENT AND GREEN ECONOMY"

1. **Usmonov Botir Shukurillaevich** , rector of the Tashkent Institute of Chemical Technology, professor (Uzbekistan) – Chairman
2. **Kim Dong - Hyung** - Director of the Research Center of Giant - Chemical (Republic of Korea)
3. **Kim Ill - Hwan** - Director of Ulsan Technopark, PhD (Republic of Korea)
4. **Geetha Subramaniam** - INTI International University , PhD , Professor (Malaysia)
5. **Brendan Duprey** - Director of Sustainable Kazakhstan Research Institute , Professor at Narxoz University, PRME, PhD , Associate Professor (Kazakhstan)
6. **Lee Seung - Min** – senior researcher at KITECH , (Republic of Korea)
7. **Kang Kyung - Chan** – senior researcher at KITECH , (Republic of Korea)
8. **Levitsky Ivan Adamovich**, Doctor of Technical Sciences, Professor, Belarusian State Technological University (Belarus)
9. **Zbigniew Pędzich** , Doctor of Technical Sciences Professor, AGH University of Science and Technology (Poland)
10. **Tonni Agustiono Kurniawan** - UTM Professor Malaysia (Malaysia);
11. **Han Hyoung - Su** – University of Ulsan, research professor (Republic of Korea)
12. **Makarov Nikolay Aleksandrovich** - Russian Chemical-Technological University named after D. Mendeleev, professor, doctor of technical sciences. (RF).

IV. ORGANIZING COMMITTEE OF THE SCIENTIFIC WEEK "SUSTAINABLE DEVELOPMENT AND GREEN ECONOMY"

1. Mukhamedzhanov Timur Rasulovich, Chairman of the Board of Uzkimyosanoat JSC - Chairman;
2. Usmonov Botir Shukurillaevich, rector, professor, Tashkent Institute of Chemical Technology (TICT, Uzbekistan) – Chairman;

3. Pulatov Khairulla Lutpullaevich – Vice-Rector of TICT, Doctor of Chemical Sciences, Professor– Deputy Chairman;
4. Babakhanova Zebo Abdullaevna – Vice-Rector of TICT, Doctor of Technical Sciences, Professor–Deputy Chairman;
5. Safarov Toyir Tursunovich – Vice-Rector of TICT, Doctor of Technical Sciences, Professor;
6. Kodirov Bobiromon Bekmurodovich – Vice-rector of TICT, Doctor of Sciences, professor;
7. Boborajabov Bokhodir Nasriddinovich - Vice-Rector of TICT, PhD
8. Shernaev Anvar Normamatovich – Vice-rector, PhD , professor of TICT;
9. Aripova Mastura Khikmatovna – Doctor of Technical Sciences, Professor, Head of Department, TICT;
10. Aripov Vohid Valievich – Head of Department of JSC “Uzkimyosanoat”;
11. Bukharov Shukhrat Burievich – Doctor of Chemical Sciences, Dean of the Faculty of TICT;
12. Yusupova Lola Agzamovna – Doctor of Technical Sciences, Dean of the Faculty of TICT;
13. Baltabaev Ulugbek Narbaevich – candidate of technical sciences, dean of the faculty of TICT;
14. Abdullaev Umid Kuychievich – candidate of technical sciences, dean of the faculty of TICT;
15. Jalilov Sherzod Kahramonovich – Doctor of Economics, Dean of the Faculty of TICT;
16. Sanaev Ermat Shermatovich - PhD , associate professor, head of department, TICT;
17. Mkrtchyan Hripsime Vachaganovna – candidate of technical sciences, associate professor of TICT;
18. Nabiev Abdurakhim Abdukhamidovich - head of the department of TICT, candidate of chemical sciences, associate professor;
19. Khamdamov Davron Abdugadirovich – head of the department of TICT, Doctor of Chemical Sciences, Associate Professor;
20. Khodjaeva Nargiza Nigmanovna – head of department, TICT;
21. Saidakhmadov Saidumarkhon - head of the international cooperation department, TICT;
22. Khidirkulova Maftuna – Head of the Information and Analytical Center, TICT;
23. Baizakova Balnur Saparbek kizi - methodologist of the international relations department;
24. Usmonalieva Ezoza Dzhallilovna- methodologist of the department of international relations;
25. Dosmatova Dilnoza - chief specialist of the department of international ratings and information analysis
26. Tursunboev Otabek – leader of the Youth Union of the TICT;
27. Davron Rashidov – head of the Institute’s Youth Academy TICT;
28. Abdulbokiev Egamnazar – Press Secretary of TICT.

The purpose of the international scientific and technical conference is a discussion of modern innovative technologies for the production of silicate materials - glass, ceramics and binders, the technology of rare and precious metals, as well as composite materials based on them, issues of sustainable development of the chemical and metallurgical industries, familiarizing the world community with the achievements of Uzbekistan in these areas.

Conference objectives - popularization of significant results achieved in scientific activities in the republic and abroad, as well as further development of the industry of glass, ceramics, binders, rare and precious metals. Within the framework of the conference, lectures and master classes will be organized by leading experts and scientists from the USA, Italy, Spain, Poland, Armenia, Korea, Kazakhstan, Uzbekistan and other countries.

CONFERENCE SECTIONS:

1-section. *Innovative technologies for the production of glass , ceramic and binding materials.*

2-section. *Sustainable development of the chemical and metallurgical industry: energy and resource-saving technologies, electrochemistry, biotechnology and alternative energy sources.*

3-section. *Technologies for the production of modern composite materials.*

KEY DATES

May 21, 2024 – Opening of the conference and Plenary reports (Tashkent).

May 22, 2024 – Visit to the Solar Complex of the Institute of Materials Science of the Academy of Sciences of Uzbekistan (Parkent).

FORMS OF PARTICIPATION IN THE CONFERENCE:

- presentation of a plenary report – up to 15 minutes (10 minutes report and 5 minutes questions-answers);
- presentation with a sectional report – up to 10 minutes (7 minutes report and 3 minutes questions-answers);
- participation in a conference without a report (publication of materials in a collection).

**THE PROGRAM OF THE III INTERNATIONAL SCIENTIFIC AND TECHNICAL
CONFERENCE “INNOVATIVE TECHNOLOGIES FOR THE PRODUCTION OF GLASS,
CERAMICS AND BINDING MATERIALS”**

Venue: Conference hall of the Faculty of Chemical Technology of Substances TICT

Date: May 21 , 2024, Time: 9:30-17:00, Address: Tashkent, st. Mirzo Ulugbek, 41.

International Scientific Forum of
Young Scientists
“SUSTAINABLE DEVELOPMENT
AND GREEN ECONOMY”
May 22, 2024

The goal of the International Scientific Forum of Young Scientists “Sustainable Development and Green Economy” is a broad international exchange of fundamental and practical scientific achievements, new approaches in areas traditionally included in the field of green economy, chemistry and technology (ecological economics, environmental economics, low-carbon economic development, protection of biodiversity and ecosystem services, environmentally sustainable economic progress, new methods for the synthesis of chemical compounds, chemical catalysis, safe energy-saving and waste-free technological production, circular economy, etc.), organization of international events aimed at increasing student interest in technical fields, popularization of basic sciences and development of international cooperation in research activities in the field of chemistry, biology and chemical technology.

**Directions of the scientific forum of young scientists
“Sustainable development and green economy”:**

- 1. Sustainable development of the chemical and food industries.*
- 2. Green economy, innovative technologies in increasing export potential and competitiveness of products, modern pedagogical technologies in personnel training*
- 3. Energy and resource saving technologies, biotechnologies and alternative energy sources.*
- 4. Green chemistry and environmental protection.*

KEY DATES

May 22, 2024 – Sectional reports in the form of a round table

Forms of participation in the conference:

– presentation with a sectional report – up to 10 minutes ;

– participation in a conference without a report (publication of materials in a collection).

The working languages of the scientific forum are Uzbek, Russian and English.

Abstracts of reports will be posted on the international platforms Google Scholar, Zenodo with the assignment of a DOI identification number.

**International scientific and technical conference “Prospects for the development of innovative technologies for the production of inorganic substances and materials in the context of globalization” on the occasion of the 111th anniversary of the birth of Doctor of Technical Sciences, Academician Malik Nabievich Nabiev
May 23 -24, 2024**

**Academician Malik Nabiev
(1913-1992)**

The purpose of the international scientific and technical conference is a discussion of modern innovative technologies for the production of new inorganic substances and materials , such as catalysts, adsorbents, solid state chemistry, as well as mineral, organomineral and biofertilizers, detergents.

Within the framework of the conference, lectures and master classes will be organized by leading specialists and scientists from Russia, Belarus, Tajikistan, Kazakhstan, Kyrgyzstan , Uzbekistan and other countries.

CONFERENCE SECTIONS:

1-section. Synthesis and research of new inorganic substances and materials.

2-section. Chemical technologies and environmental protection.

3 -section. Catalysts and adsorbents in the technology of inorganic substances; solid state chemistry.

4-section. Technology of mineral, organomineral and biofertilizers.

5-section. Synthetic detergent technology.

KEY DATES

May 23, 2024 – Opening of the conference and Plenary reports .

May 24, 2024 – Sectional reports

FORMS OF PARTICIPATION IN THE CONFERENCE:

– presentation of a plenary report – up to 15 minutes (10 min. presentation and 5 min. Q&A);

- presentation with a sectional report – up to 10 minutes (7 min. presentation and 3 min. Q&A);
- participation in a conference without a report (publication of materials in a collection).

The working languages of the scientific conference are Uzbek, Russian and English.

Abstracts of reports will be posted on the international platforms Google Scholar, Zenodo with the assignment of a DOI identification number.

Executive Secretary:

Adilova Mohira Shavkatovna

Tel. :+998 (94) 282 93 63, (93) 930 33 55

10¹⁵-10³⁰	Greeting speech: JSC “Uzkimyosanoat”	Korzhikov Evgeniy Alexandrovich First Deputy Chairman of the Board
	Greeting speech: Institute of General and Inorganic Chemistry of the Academy of Sciences of the Republic of Uzbekistan.	Namazov Shafoat Sattarovich Academician of the Academy of Sciences of the Republic of Uzbekistan, Honored Inventor and Innovator of the Republic of Uzbekistan, Head of the Phosphorus Fertilizers Laboratory of the Institute of General and Inorganic Chemistry of the Academy of Sciences of the Republic of Uzbekistan, Doctor of Technical Sciences, Professor <i>“My memories of academician M.N. Nabiev, the founder of mineral fertilizers and defoliants in Uzbekistan”</i>
	Greeting speech: Physico-technical Institute of the Academy of Sciences of the Republic of Uzbekistan.	Gulomov Kodir Gofurovich Academician of the Academy of Sciences of the Republic of Uzbekistan, Chairman of the Council of Physicists of the Republic of Uzbekistan, Doctor of Physical and Mathematical Sciences, Professor, Chief Researcher
	Greeting speech: State Unitary Enterprise “Science and Development”	Negmatov Sayibzhan Sadikovich Academician of the Academy of Sciences of the Republic of Uzbekistan, Doctor of Technical Sciences, Professor, Scientific Advisor

	<p>Greeting speech: Institute of General and Inorganic Chemistry of the Academy of Sciences of the Republic of Uzbekistan</p>	<p>Zakirov Bakhtiyor Sabirzhanovich Chief researcher of the department “Nitrogen, complex fertilizers and stimulants. Group of supramolecular compounds” , Doctor of Chemical Sciences, Professor <i>“Impressions from many years of work with academician M.N. Nabiev”</i></p>
	<p>Greeting speech: JSC "Institute of Chemical Sciences named after Bekturov" (Kazakhstan)</p>	<p>Usmanov Sultan Usmanovich Head of the laboratory “Inorganic synthesis and materials”, Doctor of Technical Sciences, Professor</p>
11²⁰ -11⁴⁵	Coffee break	
11⁴⁵ -12⁰⁰	<p>Scientific reports: Tashkent Institute of Chemical Technology (Uzbekistan)</p>	<p>Mirzakulov Holtura Chorievich Director of the Center “Retraining and advanced training of teaching staff” at the Tashkent Institute of Chemical Technology, Doctor of Technical Sciences, Professor. <i>“Integration of science and production in the development of scientific foundations and implementation of technology for the complex processing of phosphorites of the Central Kyzylkum region into phosphorus-containing fertilizers and phosphoric acid salts”</i></p>
12⁰⁰ -12¹⁵	<p>Scientific reports: Institute of General and Inorganic Chemistry of the Academy of Sciences of the Republic of Uzbekistan (Uzbekistan)</p>	<p>Togasharov Akhat Salimovich Head of the laboratory “Defoliants”, Doctor of Technical Sciences, Professor <i>“The school of technology for obtaining low-toxic, effective defoliants”</i></p>
12¹⁵ -12³⁰	<p>Scientific reports: Belarusian State Technological University (Belarus)</p>	<p>Gavrilyuk Andrey Nikolaevich Vice-Rector for Academic Affairs , Head of the Department “Technology of Inorganic Substances and General Chemical Technology”, Candidate of Technical Sciences, Associate Professor <i>“Production of complex fertilizers based on staged ammoniation in the system $NH_4^+ - PO_4^{3-} - SO_4^{2-} - H_2O$”</i></p>
12³⁰ -12⁴⁵	<p>Scientific reports: Tajik National University (Tajikistan)</p>	<p>Ruziev Djura Rakhimnazarovich Professor of the Department of “Practical Chemistry” of the Faculty of Chemistry, Doctor of Technical Sciences. <i>“Development of technology for restoring the adhesive and mechanical properties of fluorogypsum waste from hydrofluoric acid production”</i></p>
12⁴⁵ -13⁰⁰	Closing speeches	The discussion of the results.
13⁰⁰ -14⁰⁰	Lunch	

Organizing Committee of the International Scientific and Technical conference “Prospects for the development of innovative technologies for the production of inorganic substances and materials in the context of globalization” on the occasion of the 111th anniversary of the birth of Doctor of Technical Sciences, Academician Malik Nabievich Nabiev

1. Usmonov Botir Shukurillaevich, Doctor of Technical Sciences, Prof. – chairman;
2. Pulatov Khairulla Lutpullaevich, Doctor of Chemical Sciences, prof. TICT – deputy chairman;
3. Aripova Mastura Khikmatovna, Doctor of Technical Sciences, Prof. TICT – deputy chairman;
4. Babakhanova Zebo Abdullaevna, Doctor of Technical Sciences, Prof. TICT;
5. Safarov Toir Tursunovich, Doctor of Technical Sciences, Prof. TICT;
6. Mirzaqulov Kh.Ch., Director of the Center “Retraining and advanced training of teaching staff” at the Tashkent Institute of Chemical Technology, Doctor of Technical Sciences, Professor
7. Bukhorov Sh.B., Doctor of Chemical Sciences, Dean of TICT;
8. Dzhandullaeva Munavara Saparbaevna – head of the department of TICT, candidate of technical sciences, associate professor
9. Erkaev Aktam Ulashovich – professor of the department of TICT, Doctor of Technical Sciences, professor;
10. Sharipova Habiba Teshaevna – associate professor of the department of TICT, candidate of technical sciences, associate professor;
11. Adilova Mohira Shavkatovna – associate professor of the TICT department, candidate of technical sciences, associate professor, conference secretary;
12. Arifjanova Kamola Sayfullaevna – Associate Professor of the Department of TICT, Doctor of Technical Sciences, Associate Professor;
13. Melikulova Gavkhar Eshbaevna – associate professor of the department of TICT, candidate of technical sciences, associate professor;
14. Tursunova Dildora Abdusattorovna – associate professor of the department of TICT, candidate of technical sciences, associate professor;
15. Turakulov Bekhzod Begmatovich – associate professor of the department of TICT, candidate of technical sciences, associate professor;
16. Kendjaev Mirjalal Erkinovich – Associate Professor of the Department of TICT, Ph.D.
17. Yorboboev Ruslan Chorievich – senior lecturer of the TICT department, Ph.D.
18. Radjabov Shokhrukh Shermakhmatovich - senior lecturer of the TICT department, Ph.D.
19. Bobokulov Akbar Nosirovich – doctoral student of the Department of TICT, Ph.D.;
20. Koshanova Bibigul Turganbaevna – doctoral student of the TICT department, Ph.D.;
