

CHARITABLE ORGANIZATION
«CHARITABLE FUND «WE ARE HERE - NORTH OUTPOST»

Our foundation provides professional assistance to the units of the Ukrainian Defense Forces in the production and provision of high-quality camouflage means to save the lives of Ukrainian defenders. We are also working on systematic support for wounded defenders during their treatment and rehabilitation (assistance in providing the necessary supplies to military hospitals). Another important area of our work is targeted support for internally displaced persons who have suffered hardships due to the war and local people in the border areas and near the combat zone.

Can you support the work of our team with a donation?
