HAZY HILL FARM - PERMANENT MARKER

((Biscotti X Sherb BX) X Jealousy)

- This permanent marker doesn't need a magic eraser to remove, but when you pop the lid off a fresh jar of this awesome bud, it stains your nose immediately with its funky, soapy and gassy profile.
- This is a heavy hitting indica that will help you relax and "rewrite" the rest of your day once you take a few puffs.
- With a very dense structure, it has prominent orange hairs and hints of purple once you crack it open. The translation to the palate? Unreal.
- There is a good reason this strain has soared in popularity across the country in the last few years, buy some today and try it for yourself!

HIGH PEAK - 300MG VEGAN MINT DARK CHOCOLATE

(Made with Hazy Hill Hash Rosin!)

- Got a hankering for those girlscout cookies but you don't want to hunt them down or wait for them to come back around? You've come to the right place!
- Made with a decadent dark chocolate, the mint bar will slow dance on your tastebuds to a sweet peppermint melody. Perfectly pairs with a bowl of ice cream, or simply enjoy it by itself!
- As with all High Peak chocolate bars, the beautiful coloring is simply hand painted cocoa butter that is made from naturally derived ingredients.
- They are carefully made with Belgian chocolate (and love!) so you're guaranteed an unforgettable flavor experience.

HEALING HIVE - SHOWER STEAMERS

- Now that summer is near and we are in the throws of allergy season, you'd be crazy to not toss one of these on the shower floor to ease the sneeze attacks many of us experience throughout these warmer months.
- The Focus + Flow shower steamers have menthol and eucalyptus and are best in the early morning to wake you up, get your sinuses cleared out and ready to tackle a new day!
- Rest + Reset shower steamers are going to relax you to the max, with lavender to soothe that itchy nose and chill out those irritated passageways! Comes in a jar with four so you can enjoy multiple days of relief and relaxation!
