HAZY HILL FARM - DosiDos

Flower

Who doesn't love the taste of fresh baked cookies caked in gasoline? DosiDos is a true connoisseurs dream

With notes of the 2010's, it will throw you back to those days of cruising around, rolling up white owls, and bumping black and yellow with the homies

Grab it at a discount before it's gone, because it won't last long!!!

HEALING HIVE HERBAL TEAS

Have you heard that we just got freshly stocked up with Healing Hive Collectives herbal teas?! Pair it with some of their delicious creamed honey and let your troubles melt away this holiday season!

We have four exciting blends of herbal tea, and each one is made for a different purpose! Ask your budtender to give you the run down when you come in the shop next!

These teas do not contain CBD but instead natural herbs, roots and fruits to help aid proper body function, help support your immunity and nervous system.

HAZY HILL FARM SOUR BLUEBERRY HAZE CARTRIDGE

Did you miss the drop of Sour Blueberry Hazy flower earlier this year? If so, these carts translate the flavor and the high so well, our staff can barely keep our hands off of them!

Sour Blueberry Haze is DJ Shorts Blueberry crossed with the original Haze, and it is truly the star of any show.

With a heavy blueberry hazy flavor profile, this sativa leaning hybrid can pack a punch and keep you going about your work day. Find out why we love it so much and try one today!
