SHOWER CUBICAL

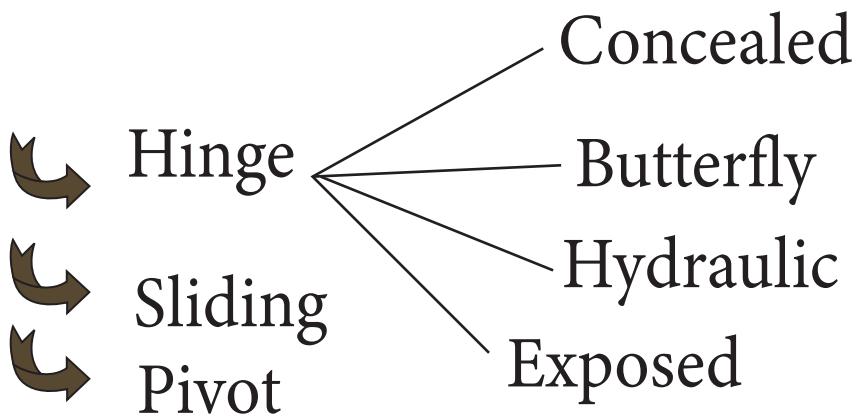

About Us

Established in 1980, our family business is a renowned name in glass manufacturing in Delhi, known for delivering quality and innovation for over four decades. I, Dilbagh Sidana and Nazuk sidana represent the second generation and have taken the reins to manage the business. Building on our legacy, we expanded our offerings last year with the launch of Hom Collective, a new line specializing in modular Aluminium and glass solutions for doors and windows. This addition reflects our commitment to modern design, functionality, and meeting the evolving needs of our clients.

By integrating advanced materials and techniques, we have diversified our portfolio, staying ahead in a competitive market while continuing to uphold the values and standards that have been the foundation of our success. As we look to the future, Hom Collective signifies a step forward, blending tradition with innovation in architectural and interior solutions.

A shower enclosure with slim aluminum profiles combines sleek modern design with exceptional functionality. Its minimalist look enhances the bath room's aesthetic, while the streamlined frames create an open and spacious feel. Durable and easy to maintain, these enclosures are a practical and stylish choice for achieving a contemporary shower space in any home.
