SUBJECT :

Call for Applications to the 2025 DOST-SEI-USask Graduate

Scholarship Program

DATE

15 January 2025

We are pleased to announce that the Department of Science and Technology-Science Education Institute (DOST-SEI), in collaboration with the University of Saskatchewan, is now accepting applications to the DOST-SEI-USask Graduate Scholarship Program (DOST-SEI-USask GSP) for the September 2025 intake.

The program aims to promote long-term collaboration and exchange in graduate education between DOST-SEI and USask in the following priority S&T fields to create mechanisms for doctoral students from the Philippines to study and conduct their research at USask with support provided jointly by both institutions:

- Animal and Poultry Science
- Biochemistry, Microbiology and Immunology
- Chemistry
- Environmental and Sustainability
- Health Sciences

- Physics and Engineering Physics
- Soil Science
- Vaccinology and Immunotherapeutics
- Veterinary Biomedical Sciences
- Veterinary Microbiology
- Veterinary Pathology

The downloadable application form and list of other documentary requirements are available on our website at https://sei.dost.gov.ph. Interested applicants may submit the advance copy of their application at fgg@sei.dost.gov.ph. Original copy of the documents must be submitted to the DOST-SEI with office address at 1st and 2nd Levels, Science Heritage Building, DOST Cmpd., Bicutan, Taguig City.

For further inquiries, they may call SEI at telephone numbers (02) 8330-8876/ (02) 8330-0026. The deadline for filling of applications is on 28 February 2025.

Thank you.
