

RENTAL AGREEMENT

This **Rental Agreement** (herein after referred to as the “**Agreement**”) is entered into on _____ (“**Effective Date**”):

BY AND AMONGST:

- (1) **The Dynasty Inflatables, LLC**, a limited liability company with its registered office in **Nashville, Tennessee** (hereinafter referred to as the “**Service Provider**”);
- AND**
- (2) _____, an individual, of _____ (hereinafter referred to as “**Renter**”, which expression shall include its successors and assigns).

The **Service Provider** and the **Renter** are hereinafter individually referred to as a ‘**Party**’, and collectively as the ‘**Parties**’, as the context may so require.

BACKGROUND:

- A. The Service Provider is a limited liability company engaged in the business of renting inflatable bounce houses and related equipment for private events, including birthday parties, family gatherings, and other celebrations.
- B. The Renter desires to rent one or more inflatable units from The Service Provider for use at their event on the date specified in **Schedule I**.
- C. The Service Provider agrees to provide the inflatable units, along with delivery, setup, sanitization, and pickup services, subject to the terms and conditions set forth in this Agreement.
- D. The Renter acknowledges that the use of inflatable equipment involves certain inherent risks and agrees to accept full responsibility for the supervision, safety, and conduct of all participants during the rental period.
- E. This Agreement outlines the responsibilities, obligations, and liabilities of both parties to ensure a safe and enjoyable rental experience.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, the parties agree to the terms and conditions set forth below.

TERMS AND CONDITIONS

1. **COMMENCEMENT AND DURATION:** This Agreement shall commence on the Effective Date and shall remain in force until all obligations of the Parties under this Agreement have been fulfilled. The rental period shall apply only to the event date and hours as specified in Schedule I. All inflatable units and related equipment must be used, supervised, and returned within the same calendar day. No overnight use, storage, or multi-day rentals are permitted under any circumstance. The Renter agrees to return possession of the inflatable equipment to the Service Provider at the agreed pickup time. Any unauthorized extension of the rental period will result in additional charges and will constitute a breach of this Agreement.
2. **RENTAL DETAILS AND EVENT INFORMATION:** All specific rental information and other relevant instructions are set out in **Schedule I** attached to and forming an integral part of this Agreement. The Renter confirms that the information provided in **Schedule I** is accurate and agrees to inform the Service Provider in writing of any changes no later than **seventy-two (72) hours** before the scheduled rental date. Any last-minute changes are subject to availability and approval by the Service Provider.
3. **RENTAL FEE, DEPOSIT, AND PAYMENT TERMS:**

- a) **Rental Fee:** The standard rental fee is **\$485** for up to **eight (8) hours** of use on the same calendar day. This fee includes delivery, setup, sanitization, and pickup services within the designated local service area. Any applicable sales tax will be added to the final invoice, unless exempt by law.
- b) **Deposit:** A non-refundable, non-transferable deposit of **\$150** is required to confirm and secure the booking. Until the deposit is received, the requested rental date and unit cannot be guaranteed.
- c) **Final Payment:** The remaining balance must be paid in full no later than one calendar day before the event. Failure to complete payment on time will result in cancellation of the booking without refund of the deposit.
- d) **Accepted Payment Methods:** Payments may be made by credit card, debit card, or other methods as approved in writing by the Service Provider. The Renter agrees not to initiate a chargeback or payment dispute for any portion of the fees once services have been rendered or the inflatable unit has been delivered and set up.
- e) **Late Payment Consequences:** If final payment is not received by the stated deadline, the Service Provider reserves the right to cancel the booking and retain the deposit as liquidated damages for the lost rental opportunity.
- f) **Card on File Requirement:** A valid credit card must be kept on file to cover any damage, loss, cleaning, or incidentals beyond normal wear and tear. The Renter authorizes the Service Provider to charge this card for such costs, if incurred. If the charge is declined, the Renter remains fully liable and agrees to make payment within five business days upon notice. The Service Provider reserves the right to pursue legal recovery for any unpaid amounts.

4. **DELIVERY, SETUP, AND PICKUP:**

- a) **Delivery Responsibilities:** The Service Provider will deliver the inflatable unit(s) to the event location listed in Schedule I on the event date, during the agreed delivery window. The Renter must ensure that an authorized adult is present at the site to receive the delivery and review safety instructions. If the Renter or authorized adult is not present, or if access is obstructed, the Service Provider reserves the right to cancel delivery and retain the deposit.
- b) **Setup Responsibilities:** The Service Provider will perform setup of all inflatable units, ensure proper anchoring, perform a safety check, and sanitize the equipment before use. The Renter must not move, adjust, or tamper with the equipment once it has been set up. The Service Provider may refuse to set up equipment if the site is deemed unsafe, unsanitary, or unsuitable, and such refusal will not entitle the Renter to a refund. For Thrill Slides, the Renter must confirm with the delivery staff that the water level in the splash pool is set between 1.5 to 2 feet, as required. The Renter is responsible for maintaining this level throughout use and for turning off the water supply when the unit is not in active use.
- c) **Site Conditions:** The Renter is responsible for ensuring that the setup area is clean, flat, and free of sharp objects, debris, animal waste, or hazards. The area must be accessible for hand-truck or dolly transport and must have sufficient clearance from trees, fences, walls, and overhead power lines. If site conditions are not met, the Service Provider reserves the right to cancel setup and retain the deposit.
- d) **Access to Power:** The Renter must provide a working power outlet within **fifty (50) feet** of the setup area, unless a generator has been arranged. If power is unavailable or incompatible at the time of setup, the Service Provider may cancel the rental without refund.
- e) **Weather Considerations at Setup:** If weather conditions at the time of setup are deemed unsafe, including but not limited to high winds, heavy rain, or lightning, the Service Provider reserves the right to delay or cancel setup for safety reasons. The Renter will be notified, and rescheduling may be offered in accordance with the weather policy.
- f) **Pickup Responsibilities:** The Service Provider will return to the site at the agreed pickup time listed in Schedule I. The inflatable unit(s) must be unoccupied and ready for takedown. The Renter must ensure access to the site and removal of all personal items or debris prior to pickup. The Renter is responsible for any delays caused by their failure to prepare the site for removal.

- g) **Renter's Cooperation:** The Renter must ensure that no one is using the inflatable during pickup and that all pets and obstacles are kept clear of the removal path. Failure to cooperate with timely pickup will result in additional charges.
- h) **Property Access Waiver:** The Renter acknowledges and accepts that minor property wear or damage may occur during reasonable delivery, setup, or takedown, including movement of equipment over grass, pavement, or landscaping. The Service Provider is not liable for such incidental property damage when acting with reasonable care.

5. **AGE, WEIGHT, AND RIDER LIMITS:**

- a) **Recommended Age Range:** The inflatable units provided by the Service Provider are designed primarily for children aged **six (06) to fourteen (14) years old**. Children younger than five years old are not permitted to use the equipment without express written approval and direct adult supervision.
- b) **Maximum Weight Per Rider:** No individual rider shall exceed a weight of **one hundred fifty (150) pounds**. The Renter must ensure that no riders exceeding this limit are allowed on the unit.
- c) **Rider Similarity Requirement:** Riders must be of similar size and weight when using the inflatable at the same time. Mixing riders of significantly different sizes increases the risk of injury and is strictly prohibited.
- d) **Maximum Number of Riders:** No more than **four (4)** riders may occupy the inflatable unit at any given time, unless otherwise stated in writing by the Service Provider based on the specific unit's design.
- e) **Adult Supervision Requirement:** Adult supervision is mandatory at all times while the inflatable is in use, regardless of the rider's age. The Renter is solely responsible for monitoring the number, age, size, and behavior of all riders to ensure compliance with these limits.
- f) **Prohibition for Certain Users:** Individuals with recent injuries, physical limitations, heart conditions, pregnancy, or any condition that could be aggravated by bouncing or falling are not permitted to use the inflatable units.

6. **PROHIBITED ITEMS AND BEHAVIORS:**

- a) **Footwear and Clothing:** All riders must remove shoes, sandals, boots, or any type of footwear before entering the inflatable unit. Riders must not wear clothing with sharp objects such as zippers, buttons, or jewelry that could puncture or damage the unit.
- b) **Food and Drink:** No food, beverages, gum, or candy are allowed inside or around the inflatable unit. Spills or residue can cause damage to the surface, create slipping hazards, and attract insects.
- c) **Sharp or Hazardous Objects:** No sharp objects, including but not limited to keys, pens, belt buckles, glasses, or toys, are allowed inside the inflatable unit. These can puncture or tear the material, leading to deflation or injury.
- d) **Face Paint, Glitter, and Oils:** Face paint, body glitter, lotions, and oils are strictly prohibited as they can permanently stain or damage the vinyl surfaces of the inflatable.
- e) **Pets and Animals:** No pets or animals are permitted inside or near the inflatable unit at any time, regardless of size or behavior.
- f) **Horseplay and Rough Behavior:** Activities such as wrestling, flips, somersaults, pushing, aggressive play, or roughhousing are not allowed under any circumstance. These behaviors pose a high risk of injury to all riders.
- g) **Climbing or Hanging:** Riders are not permitted to climb or hang on the walls, netting, or external surfaces of the inflatable unit. This can damage the unit and cause the rider to fall or the equipment to tip.
- h) **Wet Clothing and Water Exposure:** Unless the unit is specifically designed for water use, all riders must be dry when entering the inflatable. Wet clothing can cause slipping hazards and may damage the blower or internal surfaces.

- i) **Electrical Tampering:** No person is permitted to touch, unplug, move, or tamper with the blower, extension cords, or electrical equipment at any time. Interference with power equipment can cause deflation and serious injury.
 - j) **Foreign Substances:** Silly string, confetti, glitter bombs, paint, foam sprays, or any foreign substances are prohibited in or around the inflatable unit. These materials can permanently damage or stain the equipment.
7. **THRILL SLIDES – ADDITIONAL RULES AND DISCLAIMERS:** The Service Provider offers premium inflatable slide units branded as “Thrill Slides”, which include, but are not limited to, the Superhero Thrill Ride and TikTok Thrill Ride. These slides are significantly taller, steeper, and faster than standard inflatable slides, and are designed to provide an amusement park-style drop and splash experience. Due to their increased height, speed, and water usage, the risk of injury is inherently greater, and the Renter expressly acknowledges the elevated risk associated with these units and agrees to the additional terms specified in this Section. *This section is intended to supplement, and not limit or replace, the general safety rules, supervision duties, damage liability, and waiver provisions contained elsewhere in this Rental Agreement. In the event of any conflict, the more specific and restrictive terms in this Section shall apply to Thrill Slides.*
- a) **Age and Use Restrictions:** Only individuals aged **six (6) years** and older may use the Thrill Slides. Riders must use the slides one at a time, feet first, in a seated or lying-back position. Riders must be able to use the slide independently without being carried, pushed, or assisted. Under no circumstances shall users climb up the slide surface, perform flips or stunts, or engage in any form of horseplay or roughhousing on or around the unit. The Renter is responsible for enforcing these rules strictly and without exception.
 - b) **Water Level Requirements and Operational Use:** The splash pool at the base of the Thrill Slides must be filled to a minimum depth of 1.5 feet and not exceed a depth of 2 feet, unless otherwise instructed in writing by the Service Provider. Improper water levels can result in significant risk of injury, including impact injuries and failed landings. The Renter shall ensure that water is only running while the unit is actively in use and shall immediately shut off the water when not in use. Water must not be left running overnight or unattended. Inadequate water maintenance may result in damage to the equipment and increased liability.
 - c) **Mandatory Adult Supervision:** A minimum of **one (1)** capable adult must be present at all times during the use of the Thrill Slides to supervise all participants. For larger groups or high-traffic events, the Renter shall assign additional adults to provide constant visual monitoring of slide access, use, and the splash zone. Supervision must continue for the entire duration that the slide is set up, regardless of whether the slide is actively in use at a given moment.
 - d) **Slippery Surfaces and Entry/Exit Hazards:** The Renter acknowledges that the slide surface, splash area, and surrounding ground may become slippery when wet. Entry to and exit from the pool and slide area must be done with caution. Participants must be warned to move slowly and with care. The Service Provider shall not be liable for injuries sustained due to slips or falls within the water zone or its perimeter.
 - e) **Assumption of Risk and Waiver of Liability:** Use of the Thrill Slides is entirely at the Renter’s and participants’ own risk. The Renter expressly waives and releases The Dynasty Inflatables, LLC, and its employees, contractors, and representatives, from any and all liability, whether in contract, tort, or otherwise, for personal injury, property damage, or other loss arising out of or related to use or misuse of the Thrill Slides. This includes, but is not limited to, injuries caused by falls, water impact, improper use, inadequate supervision, or failure to comply with water level or safety instructions.
 - f) **Responsibility for Damages:** The Renter shall be fully liable for any damage to the Thrill Slides, accessories, motors, blowers, or electrical equipment caused by improper use, failure to follow instructions, misuse of water supply, blocked drainage, tampering with equipment, or allowing the equipment to remain wet or waterlogged beyond the rental period. The Renter acknowledges that these units require timely drainage and appropriate drying before pickup and shall cooperate with any

instructions given by the Service Provider to ensure safe takedown. Mold growth, motor failure, or damage due to improper drainage will be treated as damage due to negligence.

- g) Setup Confirmation and Instruction Acknowledgement:** The Renter confirms that they have received verbal and/or written safety instructions, a setup guide, and a checklist specific to the Thrill Slides, and acknowledges responsibility for following each instruction. The Renter agrees not to alter, relocate, or attempt to adjust any part of the setup, blower, water hose, drainage system, or anchoring without express written permission from the Service Provider.
- h) Emergency and Incident Notification:** The Renter shall immediately contact The Dynasty Inflatables, LLC in the event of any injury, equipment malfunction, water pooling, drainage issue, or other safety concern related to the Thrill Slides. Failure to provide prompt notice shall be deemed a material breach of this Agreement and may result in voiding any remaining rental protections or waiver coverage.

8. RESPONSIBILITIES OF THE SERVICE PROVIDER: The Service Provider will: (i) deliver, set up, and pick up the inflatable unit(s) at the event location listed in Schedule I, within the agreed timeframes. (ii) Setup will be conducted in accordance with standard safety practices, and the equipment will be confirmed to be in working condition at the time of setup. (iii) All units will be cleaned and sanitized before delivery using standard commercial-grade procedures. (iv) If the reserved unit is unavailable due to damage or unforeseen circumstances, a substitute of similar type and value may be offered, subject to availability. (v) The Service Provider reserves the right to delay or cancel setup if, in its sole judgment, weather or site conditions are unsafe. (vi) All services will be carried out with reasonable care and in accordance with accepted industry practice.

9. RESPONSIBILITIES OF THE RENTER: (i) The Renter must be present at the event location during both delivery and pickup and must ensure that access to the setup area is clear and unobstructed. (ii) The Renter is responsible for ensuring constant adult supervision of all riders while the inflatable unit is in use. (iii) The Renter must follow all safety instructions and operational guidelines provided by the Service Provider at the time of setup. (iv) The Renter must not allow any prohibited items or behaviors, including but not limited to shoes, food, drinks, rough play, sharp objects, pets, or face paint, inside or near the inflatable unit. (v) The Renter must ensure that the setup area is clean, level, and free of debris, hazards, or animal waste prior to delivery. (vi) The Renter must provide a functioning electrical outlet within fifty (50) feet of the setup area unless a generator has been arranged in advance. (vii) The Renter must ensure that no one tampers with the blower, cords, or power supply at any time during the rental period. (viii) The Renter must keep the inflatable unit dry unless it is specifically designated as a water unit. (ix) The Renter must provide a valid government-issued photo ID at the time of delivery, which will be photographed for internal records. (x) The Renter must ensure that a valid credit card is on file for incidentals, damages, or cleaning charges beyond normal wear and tear. (xi) The Renter accepts full financial responsibility for any damage, loss, or excessive cleaning required due to misuse, negligence, or failure to follow the rules. (xii) The Renter must ensure that all participants meet the age, size, and rider limits and must not allow more than the permitted number of riders at any time.

10. CANCELLATION AND RESCHEDULING:

- a) Cancellation by Renter (Non-Weather Related):** If the Renter cancels the booking for any reason other than weather, the deposit will be forfeited and is non-refundable and non-transferable. No refunds will be issued for voluntary cancellations made by the Renter for personal, logistical, or scheduling reasons.
- b) Cancellation by Renter (Weather Related):** If the Renter cancels due to weather conditions such as rain, lightning, or high winds, the deposit will not be refunded but may be applied toward a rescheduled rental. The weather-related cancellation must be communicated no later than the morning of the event and is subject to confirmation by the Service Provider that weather conditions justify the cancellation.
- c) Rescheduling Due to Weather:** In the event of a weather-related cancellation, the Renter may reschedule the rental for a new date within **thirty (30) days** of the original event date. The deposit will

be applied to the rescheduled booking. Rescheduling is subject to unit availability and must be coordinated directly with the Service Provider.

- d) **Rescheduling for Non-Weather Reasons:** Rescheduling requests for reasons unrelated to weather are not permitted. If the Renter is unable to proceed with the scheduled event for any other reason, it will be treated as a cancellation and the deposit will be forfeited.
 - e) **Cancellation by Service Provider:** The Service Provider reserves the right to cancel the rental due to unsafe weather, equipment failure, site inaccessibility, or any condition that may pose a risk to participants or staff. If the Service Provider cancels and setup has not occurred, a full refund of the deposit and any additional amount paid will be issued, or rescheduling will be offered at the Renter's choice.
 - f) **Late Rescheduling or No-Show:** If the Renter does not appear at the time of delivery or fails to provide access for setup, the Service Provider may cancel the booking and retain the deposit. No rescheduling will be offered in such cases.
11. **RIGHT TO REFUSE SETUP:** The Service Provider reserves the right to refuse setup of the inflatable unit(s) if, in its sole judgment, the site conditions are unsafe, unsanitary, inaccessible, or otherwise unsuitable for proper and secure installation. This includes but is not limited to steep inclines, animal waste, debris, mud, excessive water, or the absence of a suitable power source. The Service Provider may also refuse setup if the Renter is not present at the scheduled delivery time or fails to provide the required photo ID or access to the location. In any such case, the Service Provider shall not be liable for non-performance, and the deposit shall be forfeited as liquidated damages unless otherwise agreed in writing.
12. **ASSUMPTION OF RISKS AND LIABILITY WAIVER:** The Renter acknowledges that a separate **Assumption of Risk and Liability Waiver Form** must be signed prior to setup, and that such waiver forms part of this Agreement. The Service Provider disclaims all liability for any injury, damage, or loss arising out of the use or misuse of the inflatable equipment except as required by law. No warranties, express or implied, are made by the Service Provider beyond the scope of providing the rental equipment in a clean and operational condition. The Renter agrees that they are solely responsible for ensuring that all rules are followed and that supervision is maintained at all times during the rental period.
13. **INDEMNIFICATION:** The Renter agrees to fully indemnify, defend, and hold harmless the Service Provider, its owners, employees, agents, and representatives from and against any and all claims, losses, damages, liabilities, costs, or expenses (including reasonable attorney's fees) arising out of or related to the Renter's breach of any terms of this Rental Agreement, including but not limited to failure to make timely payment, submission of false or incomplete information in Schedule I, failure to provide proper site conditions or power access, refusal or obstruction of pickup, unauthorized extensions of the rental period, or violation of the stated cancellation, rescheduling, and setup policies. This indemnification is separate from and in addition to the indemnification provided by the Renter in the Assumption of Risk and Liability Waiver Form. This clause shall survive the expiration or termination of this Agreement.
14. **TERMINATION:** This Agreement may be terminated by the Service Provider at any time prior to setup if the Renter fails to comply with any of the terms of this Agreement, including but not limited to failure to make payment, failure to sign the required Assumption of Risk and Liability Waiver Form, refusal to provide access to the site, or failure to ensure acceptable site conditions or power access. Termination under such circumstances shall not entitle the Renter to any refund of the deposit or payment made. This Agreement shall also terminate automatically upon completion of the rental period and successful pickup of the equipment by the Service Provider. Termination of this Agreement shall not affect the continuing enforceability of the Renter's obligations under the indemnification, limitation of liability, payment, waiver, and notice provisions, all of which shall survive termination.

15. **GOVERNING LAW AND DISPUTE RESOLUTION:** This Agreement shall be governed by and construed in accordance with the laws of the **State of Tennessee**, without regard to its conflict of law principles. In the event of any dispute, claim, or controversy arising out of or relating to this Agreement, the parties shall first attempt to resolve the matter amicably through good-faith negotiations. If such negotiations fail, either party may bring an action in a court of competent jurisdiction located in **Davidson County, Tennessee**, and both parties consent to the exclusive jurisdiction and venue of such courts. The Renter waives the right to participate in any class action, collective action, or representative proceeding against the Service Provider. Each party shall bear its own legal costs and fees unless otherwise ordered by the court.
16. **NOTICE:** Any notice, request, demand, or other communication required or permitted under this Agreement must be in writing and shall be considered duly given when delivered in person, sent by certified or registered mail with return receipt requested, delivered by a nationally recognized courier service, or sent by email. Notices must be sent to the contact details provided below, or to such other address or email as either party may designate in writing to the other.

17. **MISCELLANEOUS:**

- a) **Force Majeure:** The Service Provider shall not be liable for any delay or failure to perform its obligations under this Agreement if such delay or failure is caused by events beyond its reasonable control that directly prevent the delivery, setup, or pickup of the inflatable unit(s). These events include but are not limited to severe weather conditions such as thunderstorms, lightning, high winds, or flooding; road closures or transportation disruptions; equipment failure not caused by the Service Provider's negligence; and governmental restrictions or emergency declarations that prohibit outdoor gatherings or access to the delivery location. In such cases, the Service Provider may cancel or reschedule the rental without liability, and any rescheduling shall be handled in accordance with policy set forth in this Agreement.
- b) **Relationship:** Nothing in this Agreement shall be construed to create a partnership, joint venture, agency, or employment relationship between the Parties.
- c) **Assignment:** The Renter may not assign, transfer, or delegate any of their rights or obligations under this Agreement without the prior written consent of the Service Provider. Any attempt to do so without such consent shall be null and void. The Service Provider may assign its rights and obligations under

this Agreement to any successor or affiliated entity without the Renter's prior consent, provided such assignment does not materially affect the Renter's rights or the performance of the rental service.

- d) **Binding:** This Agreement shall be binding upon and inure to the benefit of the Parties and their respective heirs, legal representatives, successors, and permitted assigns.
- e) **Entire Agreement and Modification:** This Agreement, including Schedule I and the separately signed Assumption of Risk and Liability Waiver Form, constitutes the entire understanding between the Renter and the Service Provider with respect to the subject matter herein and supersedes all prior discussions, communications, or agreements, whether written or oral. No modification, amendment, or waiver of any provision of this Agreement shall be valid unless made in writing and signed by both parties. No verbal representations or promises not contained in this Agreement shall be binding.
- f) **Severability:** If any term of this Agreement is held to be invalid or unenforceable, that term shall be reformed to achieve as nearly as possible the same effect as the original term, and the remainder of this Agreement shall remain in full force.
- g) **Waiver:** Any failure or delay by the Service Provider to enforce any term or condition of this Agreement shall not be deemed a waiver of its right to enforce such term or condition at any time thereafter. No waiver shall be effective unless made in writing and signed by the Service Provider.
- h) **Counterparts and Digital Signature:** This Agreement may be executed in multiple counterparts, each of which when executed will be an original, and all of which, when taken together, will constitute one agreement. **Delivery of an executed counterpart of a signature page of this Agreement by electronic transmission (including via digital signature tools, such as DocuSign) will be as effective as delivery of a manually executed counterpart.**
- i) **Independent Legal Advice:** The Renter acknowledges that they have had the opportunity to seek independent legal counsel before signing this Agreement. If the Renter does not engage legal counsel, they are wilfully waiving their right to do so at their sole discretion. The Renter acknowledges that they are signing this Agreement after fully understanding all its provisions, and without any force, coercion, or undue influence.
