HERBAL EXTRACT

"Nature's Purest Herbal Solutions"

Processed Herbs (Intermediates)
for use of Manufacturers only

Gayatri — Industries —

Nature's Purest Herbal Solutions

Manufacturers of All Types of Herbal Extracts

- ✓ Nutraceutical Extracts
- ✓ Essential Oils
- ✓ Carrier Oils
- ✓ Herbal Powder Extracts
- ✓ Herbal Extracts 🍯
- ✓ Real Taste Extract

Since 1999 | Trusted & Certified

 www.gayatriherbalextract.in

 +91 82001 90825

Established in 1999

MANUFACTURERS

We **Gayatri Industries** has involved in Manufacturer a huge compilation of **Clitoria Ternatea, Lajwanti and Curry Leaves**. Manufactured making use of supreme in class material and progressive tools and technology; these are in conformism with the guidelines defined by the market. Along with this, these are tested on a set of norms prior to final delivery of the order. We have emerged as a topmost organization of this industry because of our quality range of products. Besides this, on our premises, we thoroughly check the quality of each product before releasing it to the chief market. We source raw material for our products ranges from the topmost vendors of the industry. We give assurance to our clients that our entire product ranges are best in quality. Before delivery, we stringently inspect the quality of our entire products and receive positive feedback from our valuable clients

MANUFACTURERS

Herbal Extracts

Ashwagandha, Clitoria Ternatea, Tulsi, Shatavari, Curry Leaves & More

Herbal Raw Power

High Purity Raw Herbal Powders of Various Medicinal Herbs

Herbal Essential Oil

Highly Potent Herbal Essential Oils

Herbal Tablet and Liquid Paste

Herbal Tablets & Syrup / Paste Preparations

Established in 1999

We **Gayatri Industries** has involved in Manufacturer a huge compilation of **Clitoria Ternatea, Lajwanti** and **Curry Leaves**. Manufactured making use of supreme in class material and progressive tools and technology, these are in conformism with the guidelines, defined by the market. Along with this, these are tested on a set of norms prior to final delivery of the order.

We have emerged as a topmost organization of this industry because of our quality range, of products. Besides this, on our premises, we thoroughly check the quality of each product, before releasing it to the chief market. We source raw material for our products ranges from the topmost vendors of the industry. We give assurance to our clients that our entire product ranges are best in quality. Before delivery, we stringently inspect the quality of our entire products and receive positive feedback from our valuable clients.

Why Us?

- ✓ Flexible payment modes
- ✓ On time delivery
- ✓ Huge distribution network
- ✓ Ethical business strategies

Clitoria Ternatea

Lajwanti

Curry Leaves

QUALITY POLICY

The company has a well-furnished drug approved laboratory which carries out, TLC, UV, Karl Fisher and if necessary it can also perform HPLC and HPTLC tests as per client's request. The deionised water used in production process along with other preventive measures assures the highest quality of finished products, which confirm to USP standards of microbiological parameters and heavy metal contents. The finished products are analyzed in both **in house and independent lab**.
